

Ground Transportation

From Long Beach Airport (LGB) to Ayres Hotel.

- 1) The Long Beach airport is 6.7 miles from Ayres Hotel which does not offer a shuttle service.
- 2) Cabs are curbside at the airport - very easy access, about \$25 each way to Ayres. Very easy.
- 3) Supershuttle by reservation is an option: 800-258-3826, but is most economical on 2-way trips for 2 or more persons. Enter discount code RIDES. (See the appended graphic.)
- 4) Car rental at LGB is very easy, onsite, as low as \$24.77 per 07/11/14 quote for conference dates. (That would give the option for doing some local touring, if desired.)

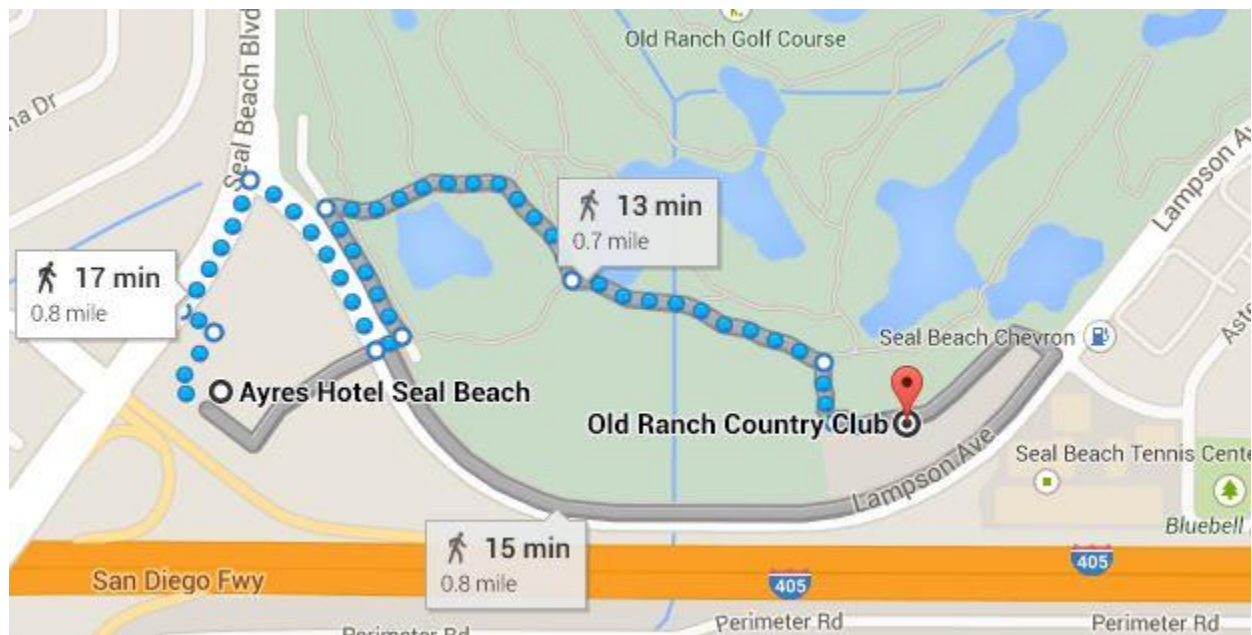

From Ayres Hotel to Old Ranch Country Club.

The Conference site is a brisk walk to-from the Ayres Hotel.

We are looking at options to provide a shuttle for folks that need or want a ride in the morning and evenings. In the week prior to the conference date, please check back at the web site for details. We will arrange transportation (e.g., either a shuttle or our conference staff offering a van or ride share).

Those who have decided to rent a car can park for free just yards from the conference site entrance.
